In Remembrance Of Mr. Forrest Carter

No man is an island, entire of itself; everyman is a piece of the continent, a part of the main: If a clod be washed away by the sea, Europe is the less. Any man's death diminishes me, because I am involved in mankind; and therefore never send to know for whom the bell tolls; It tolls for thee.

Sheri,
I have loved being in school with you for the last twelve years. I have also loved having you as a good friend for the last couple of years. I think you are a very sweet beautiful girl. & specially since you have the extra special beauty that comes from inside. I will always remember you and even though we may not see each other always let's touch through

May the Lord always bless you!

Because I value your friendship highly. I wish we could have had the one although I'm glad we had at least the one although it wasn't my favorite class. May you always have God first in your life and never let anything come between you and him because then you will always have that extra special inner beauty (don't ever lose it) with love and prayers.

Like I have said before I am truly glad you are my best friend. This year hasn't turned out exactly like we wanted it to, so I guess we will have to wait until next year. Thank you for putting up with all of my problems. And thanks for all the things you have done for me, for being there when I needed you. I hope that you get everything you want out of life. I think you are one of the sweetest people I know. Don't ever change to please somebody, because they are not worth pleasing. When you find someone ask him if he has a friend. Let's do lots of things this summer. Friends forever. There is so much I want to say but don't know how.

Love,
Kim "X"

GET INVOLVED START GROWING

There is a definite relationship between church involvement and spiritual growth. The more you get involved . . . the more you grow. So this semester get involved. Find a place to attend. Find a place to worship. Find a place to be needed. Find a place to become involved.
